

How many cigarettes does it
take to make you sick

Answer: ONE

You'll be sick to know that
your cigarettes have Urea (Pee)
added to them.
Dude, do you know that
you smoke pee?

Quit now, call the Quitline

1-866-NY QUIT
(1-866-697-8487)

Ask if you are eligible for a free 2-week starter kit of nicotine patches so you can break free of the pee.

Every cigarette is doing you damage
